

The Borough of Wormleysburg is celebrating its 200th year of Founding

During 2015, the Borough will be holding events over the course of the year to support Founders Day. Sponsors and volunteers will be recognized in April for their support and service to the Community with a dinner in their honor. September brings an outdoor event that focuses on River activities and blends in life along the River for Civil War enactors with an encampment. Local Churches and Civic groups will join vendors to provide an eventful afternoon, kicking off the day with a parade. Plus much more!

The Founder's Day events and the Founder's Day Historical Book (available in 2015) can only happen with support from the community and local businesses. Consider becoming a sponsor and getting recognition for your business as well as supporting The Borough of Wormleysburg on these commemorative events.
